## Why should you take advantage of Direct Deposit?

- **Get your pay sooner** - access your money right away on payday
- **No more fees to cash your check** - no need to visit a bank or check casher
- **Never miss your pay** - if you are sick, on vacation, not scheduled to work, or the weather's not so great - you can still access your pay immediately on payday
- **Your check will never be lost or stolen**
- **Do your part for the environment - go paperless!**

## Did you know that you can still have direct deposit even if you don't have a bank account?

Direct deposit to a bank account or a payroll card gives you fast and convenient access to your pay on payday. Plus, it offers you additional benefits that you just can't get from a paper check.

### You can choose from one of two options:

- 1) Get your pay on the rapid! PayCard® Visa® Payroll Card. Once you activate the card, your pay will be deposited to the card. You can use this card to access your pay, set up a savings account, shop and pay bills online wherever Visa debit cards are accepted.

- 2) Have your pay deposited directly into a bank account. If you already have a bank account, fill out a Direct Deposit form and give the form to your manager. If you don't have a bank account, you will need to first open a bank account with a bank.
